

## The Invisible Theatre is going green! Won't you come with us?!

As we begin our 39<sup>th</sup> Anniversary Season, The Invisible Theatre will no longer be sending out printed news releases by postal mail!

As a part of The Invisible Theatre's continuing commitment to serve our community responsibly, we are reducing our use of paper and postage and will be distributing news releases about the theatre by e-mail only.

If you wish to continue receiving news releases from The Invisible Theatre, please add your name to our electronic news release list by visiting

**[http://invisibletheatre.com/html/media\\_center.html](http://invisibletheatre.com/html/media_center.html)**

It takes just a few seconds and by electing to receive news releases and announcements from us via e-mail, you're helping us save postage, paper and – most important to a non-profit theatre – money!

I look forward to sharing information with you about The Invisible Theatre's productions, events and activities. Of course, you may feel free to call upon me at any time if you have questions about the theatre. If you ever wish to change your e-mail address or opt out from the mailing list, just drop me a line.

You may also take advantage of The Invisible Theatre's On-line Media Center at **[www.invisibletheatre.com](http://www.invisibletheatre.com)**. Here you'll find news releases and photographs available for download in a high-resolution format suitable for newspaper or magazine reproduction.

Thank you again for your interest in The Invisible Theatre of Tucson, Arizona.
